## PREPARING FOR RALLY

**Committees Appointed to Look After Republican Event**

## ARRANGE THE PARADE

Committees are today getting out the advertising matter for the big Republican campaign rally to be held in Charleroi next Wednesday night. Monday night the executive committee arranging for the rally held a meeting and laid plans, looked after the appointment of committees and attended to routine matters that came up.

A large committee was appointed to secure marchers, also a committee to secure supplies and advertising. Marshals to assist the chief marshal were named, together with members of a reception committee.

Circulars have been sent out to the precinct chairmen along the valley concerning the parade. The parade will start at 7:30 o'clock. It will be grouped in five divisions. Speaking will take place above Fallowfield avenue on Fifth street. The list of speakers is not definitely known.

## WASHINGTON LODGE OF ODD FELLOWS WILL ENTERTAIN

Members of the Past-Grand Association of Odd Fellows of Washington county will be entertained Wednesday night at Washington by the Ollie Cline Lodge, No. 43, and National Lodge No. 81, I. O. O. F., in the Odd Fellows hall there. The meeting will be one of the big ones of the year.

The degree staff of Nucleus lodge, No. 377, of Monongahela, will be present to exemplify the second degree. Arrangements will be made for the annual banquet of the association which will be held at the Seventh Avenue hotel, Pittsburg, November 25.

## Would Not Take Dare

**An Italian Girl of Dunlevy Mounts Untrained Horse—Barely Escapes Injury**

Her refusal to take a dare almost resulted seriously to Miss Mary Grandy, a vivacious and attractive Italian girl of Dunlevy Sunday. Some of her friends dared her to mount an untrained horse. The girl managed to get on the horse's back. At that time a train came along. The horse frightened and reared, tossing the girl to the ground. Fortunately she was unhurt, and would have attempted to ride again had anyone said the word.

### Informal Reception

An informal reception was given Monday night at the home of J. A. Bonnell, in Fallowfield township for his son, Jesse R. Bonnell and his bride, who previous to her marriage last Wednesday was Miss Alice Evans of Lone Pine. The couple were married in Washington.

## BACHELOR GIRLS' CIRCLE BROKEN

**Miss Merry Brightwell of Monessen, a Member is Claimed Victim of Cupid**

## FIFTH OF ORGANIZATION

For the fifth time the sacred ties linking together the members of the Charleroi Bachelor Girls' Club were ruthlessly broken by Dan Cupid this morning, when Miss Merry C. Brightwell, of Monessen, one of the charter members of the organization became the bride of Bert Leonard, a young business man of Waynesburg. The ceremony uniting the two lives was performed by Rev. H. O. MacDonald, pastor of the First Presbyterian church, of Monessen, in the presence of the members of the immediate family of the bride. Mr. and Mrs. Leonard left on a two weeks trip to the Great Lakes. They will live at Waynesburg.

The first of the Bachelor Girls club to break away from the realm of single-blessedness was Miss Elsie Flickinger, who wedded W. A. McDermott of Charleroi. Miss Marie Pollock, of Monongahela, the vice president was the next victim of the little love god, becoming the wife of Frank Nicholson. Miss Linnie McClure changed her name to become Mrs. Carroll E. Cummins and Miss Julia Cordes was married to Burtell Clutier.

### SATURDAY NIGHT

Oatman's Saturday social dance. Night's Auditorium. Dancing 8 o'clock. Oatman's Dancing School at the Assembly Hall, Monessen Friday nights. Class 7:30. Dancing at 8:30.

## LIMERICKS MUCH READ

**Unique Advertisements Meet With Hearty Approval**

## WINNERS ANNOUNCED

When you think of all the pleasure the readers of the Mail have enjoyed through the Limerick Contest which appears for the sixth consecutive time today, it is almost lost sight of that this is an advertising system for a number of the leading business houses of Charleroi. The twenty-eight advertisers on the Limerick page have made their names familiar to hundreds of readers, both those who have entered the contest and those who have sat back in their easy chair of an evening and enjoyed the jolly jingles which have been contributed and printed at the head of each advertisement.

The prizes for writing Limericks printed last week are as follows:

Miss Ellen Clark, one dollar prize for Limerick published in advertisement of J. N. Burgan. Hor. Air Furnaces.

Floyd T. Carson, one dollar prize for Limerick published in advertisement of Weltner's Drug Store.

The Mail believes that the effect of this contest have been far reaching. First of all it has shown the public that the advertisements in a paper are often the most interesting part of the publication. Then, our business men have gained an idea of the large number of people who read the Mail each day. More than that, the advertisers have learned that with a medium like the Mail reaching the homes of the people all they have to do is to inject a little "ginger" into their ads to make them effective.

There are four more weeks of the contest. Better trot out that bright little idea that has been lurking in your brain and send it to the Mail in the form of a Limerick. If you hustle you may yet win the grand prize of ten dollars, for nobody has got much of a start at this writing.

## COAL CENTER ENTERTAINS CONVENTION

Sunday afternoon the Sunday school convention of the California district was held at Howe's church near Coal Center. Nearly 300 were present at the afternoon session. Rev. O. K. Walker conducted the devotional exercises. The first address was made by the Rev. H. H. Ryland on "The Sunday School and the Church." William Hawthorne of the Phillipsburg Sunday School discussed in a very interesting manner, "Music in the Sunday School." His suggestion as to the selections of music to be used were excellent.

An admirable talk was made by F. J. Rankin of Coal Center on the "Duties of the Superintendent." A. J. Shutt of Waynesburg was present and told the Bible Class members "How to Reach Men." He was listened to with the deepest interest.

Mrs. Mary L. Stewart told about the state convention at Philadelphia. Mrs. Allison of Roscoe gave a short address on "Interesting the Pupils in the Lesson." The solo by Miss Pearl Kenyon was highly enjoyed by all.

The night session was fully as well attended as the afternoon session. Mr. Noah Harris discussed the "Needs of the Sunday School." This was followed by a very practical address by Mrs. Mary L. Stewart on Sunday School work.

The following officers were elected for the coming year: President, Henry Parkins; vice president, William Hawthorne; home department Mrs. Mary Chalfant; missionary, Miss Jessie White; teacher training, Prof. H. H. Taylor; adult Bible class, Harry Drumm; temperance, Noah Harris; elementary, Miss Wilma Sloan; secondary division, Mrs. Joseph Hornbake; foreign, William A. Long.

## QUESTION HIS RIGHT

**Westmoreland 'People' Seek Solution of Shields' Problem**

## IS NOW COMMISSIONER

Attorney General John C. Bell and District Attorney W. T. Dom of Westmoreland county, have brought legal proceedings to test the right of John E. Shields to sit as a member of the board of county commissioners. On a petition which was presented to the court some time ago, asking that Shields' seat be declared vacant, Judge A. D. McConnell held that the vacancy existed and Judge L. W. Doty, president judge, took the opposite view. The case was presented to Judge Doty, who set November 9 as the date for the hearing of the argument. Shields is now serving a term in the Western Penitentiary for alleged irregularities in his office while he was sheriff of Westmoreland county.

## LAY PLANS TO GET EVANGELIST

**Union Services Proposed by Religious Workers of Three Towns**

## CHARLEROI CONSIDERS

Plans are being laid by members of the Monessen Ministerial Association and church workers of that town for a union evangelistic service which they propose to hold jointly with Charleroi and Belle Vernon church people. Charleroi and Belle Vernon have considered the plan to some extent and look favorably upon it. A list of well known evangelists has been secured. It seems impossible to get Rev. William A. Sunday to come at a reasonable time, and an effort will be made to secure the next best.

The quintet was arrested Sunday afternoon by Constable D. F. Mathers, of North Charleroi, who had been hired by several farmers back of Charleroi to guard their places from the inroads of trespassers.

## CHARLEROI OFF BASKETBALL MAP IN THE CENTRAL

Charleroi is considered a sure basketball town for the Central Basketball league by everyone excepting the home folks, who know, it seems. At various meetings in Pittsburg the Charleroi situation has been discussed, and there have been representatives present. This morning it came straight from the management of the Charleroi Skating rink, where games would be played that there would be no Central League team here this year. This decision will hardly be re-considered.

## A SHADE TREE COMMISSION.

Charleroi should follow Wash-  
ton's example in establishing a shade  
tree commission. At the county seat  
such a commission has been appointed  
by council in accordance with an  
act of Assembly, and the object of  
this body is to promote and encour-  
age the planting of shade trees with-  
in the borough. Just how far its  
power extends, the Mail does not  
know. The object, however, is a  
worthy one.

Unfortunately for Charleroi many  
shade trees in the town have had to  
be removed because they are damag-  
ing the sewers. These are the Caro-  
lina poplars, and they are being re-  
placed with others in many localities.  
These must grow for a number of  
years before they can make a show-  
ing, but in the meantime there are  
many streets and lots on which few  
shade trees have been planted. Here  
is where a commission can do good  
work. By going personally to the  
owners of lots on which no shade  
trees have been planted, and show-  
ing them where they can procure  
suitable trees, and instructing them  
how to plant and care for them, a  
good start toward beautifying the  
town will be made. It will be a good  
idea for the Charleroi council to in-  
vestigate the shade tree commission  
act.

## PICKED UP IN PASSING

Another traveling man comes to  
the front with a story, this time  
about a Democratic politician in  
Philadelphia, who has been campaign-  
ing so strenuously that he hardly  
ever reaches home before midnight.  
The other day, being called to attend  
a conference of the powers down at  
the home of Governor Woodrow Wil-  
son, he rushed home to dress for the  
occasion.

"Where are you going?" demanded  
his wife, who was out at the time  
but came in as her husband was bust-  
ling around in the dressing room.  
"To Sea Girt," he replied, tugging  
away at the strap of his suit case.  
"Won't be back until tomorrow."  
"To Sea Girt?" repeated his wife,  
"Never heard of her, but you can bet  
your sweet life that I am going with  
you. I thought something was up  
the way you've been staying out late  
nights. What gets me is that you  
have the nerve to tell me where you  
are going."

Then it was that the politician had  
to stop and explain, and it was some  
time before he could convince his  
wife of the difference between Sea  
Girt and going to see Gertie.

Carroll Township, beginning at the  
borough line of Donora where Mc-  
Kean Avenue intersects said borough

CATTLE CROSSING OVER IRRIGATING CANAL

HOME and social life in Northern California is the most pleasant  
because there are more bright days than in Southern Italy, and there is  
every convenience for bringing people together.

FARMS in the Sacramento Valley produce many more times net profit  
to the acre than Eastern farms because the soil is the best, sun shines every  
day, and there is plenty of good water for irrigating, with proper drainage.

ORANGES, potatoes, alfalfa and all fruits, grains, grasses and vege-  
tables mature earlier in Northern California than in any part of the world.

STOCK and POULTRY are easier to raise and produce more because  
the climate is healthful and green feed grows in abundance.

MARKETS are very near, with cheap railroad and river transportation,  
making financial success sure.

If interested, we urge you to write us today and learn of people who  
are making big money there now.

Let us know what you wish most to be informed about and get an

Don't delay, every day now sees new settlers moving on this land, as

# AUCTION SALE OF LOTS

## LOCK VIEW TERRACE

NORTH CHARLEROI, PA.

FRIDAY AND SATURDAY, OCTOBER 25th AND 26th

AT 1:30 P. M.

## 100 BUILDING LOTS

Will Positively Be Sold to the Highest Bidder on Easy Terms of Payment

Lock View Terrace is the Place for the Working Man to Buy a Comfortable Home

### THIS CONCERNS YOU

On Friday and Saturday, October 25 and 26, 1912, at 1:30 o'clock p. m., LOCK VIEW TERRACE will be inaugurated, and a number of the choicest residence lots will be sold at public auction to the highest bidders. This will prove to be one of the greatest and most beneficial opportunities for home seekers that has ever been offered in this section of Pennsylvania.

To see is to believe. To understand is to buy.

### WHERE IT IS LOCATED.

At Lock No. 4, Washington county, Pa., on an elevation made gloriously beautiful by nature, overlooking the placid Monongahela river, on the line of the P. R. R. and the P. & L. E. railroads, one of which will shortly be a trunk line leading from Pittsburgh to Baltimore; two electric railroads, and right in the heart of one of the greatest manufacturing centers of the world.

### A PROSPEROUS LOCALITY.

Lock View Terrace is directly opposite and faces the thriving metropolis of Monessen, and is but a short distance from the Magic City—Charleroi, both of which can be reached within a few minutes by the trolley cars. It is the ideal location for the homeseeker.

### AN INDUSTRIAL CENTER.

The largest plant of the Pittsburgh Steel company is located in Monessen, and is but a short distance from Lock View Terrace plan of lots. That company employs 3,500 hands and pays out in wages \$225,000 monthly; and furthermore, an addition costing \$2,000,000 is now in course of construction to this mammoth industrial concern. Another of Monessen's big industries is the American Sheet & Tin Plate company's mill, employing 1,500 hands, with a monthly payroll aggregating \$125,000. These are only a few of Monessen's industries.

### NEW PLANT FOR MONESSEN.

It is stated on good authority that a new industrial plant will be built at the Monessen end of the bridge in the near future, which will employ from 1,000 to 1,500 men. This is one of the features which makes Lock View Terrace all the more desirable as a home for working men. Remember, future developments, as well as present ones, will make these sites all the more valuable.

### A PLACE TO SAVE.

To the north is situated Charleroi, which is also connected by street car lines from Lock View Terrace, is but a few minutes ride. Charleroi's leading industries are the MacBeth-Evans Chimney factory, with a weekly payroll of \$10,000; Henderson Coal Works, with a monthly payroll of \$12,000; Imperial Bottle Factory, with a monthly payroll of \$14,000; Pittsburgh Plate Glass works, with a monthly payroll of \$15,000. Charleroi is just 22 years old and its banks have more than \$2,500,000 on deposit, more than one half of which is savings accounts.

### CHURCHES AND SCHOOLS.

For all denominations are either already built or in course of construction. One of the handsomest school buildings in Washington county having just been completed near Lock View Terrace.

### LONG FELT WANT.

These lots will fill a long felt want for the working man. People want to live out of the business section of the towns, away from the noise and smoke and poisonous fumes of the great factories, and they are consequently seeking homes in the suburbs—out where the air is pure and wholesome and gives vigorous life to mankind and vegetation.

### LOTS TO HIGHEST BIDDERS.

To meet this demand it has been decided to place this ideal plan of lots for sale at public auction; the lots to be sold to the highest bidder.

### BEING DRIVEN TO SUBURBS.

The advantages and attractive features of Lock View Terrace are many, and should appeal strongly to the workers and home seekers. The lots are ideally situated for home settlement. Money has already been appropriated for paving the road leading from Charleroi to Monongahela and this road runs directly along this new plan of lots. A movement is on foot to have the Monessen-Charleroi bridge made free, which will be a great advantage to the persons who buy property in Lock View Terrace.

### BAND MUSIC

A fine band will be on the grounds and give free concerts during both days of the sale.

Special Inducements and Attractions Will Be Given on Day of Sale

Come to the sale. Buy a Lot. Own a Home and Stop Paying Rent; be Free. Bring your dinner and enjoy a basket picnic. A special invitation is given to the Ladies.

A large committee was appointed to secure marchers, also a committee to secure supplies and advertising. Marshals to assist the chief marshal were named, together with members of a reception committee.

Circulars have been sent out to the precinct chairmen along the valley concerning the parade. The parade will start at 7:30 o'clock. It will be grouped in five divisions. Speaking will take place above Fallowfield avenue on Fifth street. The list of speakers is not definitely known.

The specifications call for 45,830 official ballots and 11,901 sample ballots.

## Would Not Take Dare

An Italian Girl of Dunlevy Mounts Untrained Horse—Barely Escapes Injury

Her refusal to take a dare almost resulted seriously to Miss Mary Grandy, a vivacious and attractive Italian girl of Dunlevy Sunday. Some of her friends dared her to mount an untrained horse. The girl managed to get on the horse's back. At that time a train came along. The horse frightened and reared, tossing the girl to the ground. Fortunately she was unhurt, and would have attempted to ride again had anyone said the word.

## Informal Reception

An informal reception was given Monday night at the home of J. A. Bonnell, in Fallowfield township for his son, Jesse R. Bonnell and his bride, who previous to her marriage last Wednesday was Miss Alice Evans of Lone Pine. The couple were married in Washington.

## BACHELOR GIRLS' CIRCLE BROKEN

Miss Merry Brightwell of Monessen, a Member is Claimed Victim of Cupid

## FIFTH OF ORGANIZATION

For the fifth time the sacred ties linking together the members of the Charleroi Bachelor Girls' Club were ruthlessly broken by Dan Cupid this morning, when Miss Merry C. Brightwell, of Monessen, one of the charter members of the organization became the bride of Bert Leonard, a young business man of Waynesburg. The ceremony uniting the two lives was performed by Rev. H. O. MacDonald, pastor of the First Presbyterian church, of Monessen, in the presence of the members of the immediate family of the bride. Mr. and Mrs. Leonard left on a two weeks trip to the Great Lakes. They will live at Waynesburg.

The first of the Bachelor Girls club to break away from the realm of single-blessedness was Miss Elsie Flickinger, who wedded W. A. McDermott of Charleroi. Miss Marie Pollock, of Monongahela, the vice president was the next victim of the little love god, becoming the wife of Frank Nicholson. Miss Linnie McClure changed her name to become Mrs. Carroll E. Cummins and Miss Julia Cordes was married to Burdell Clutter.

## LIMERICKS MUCH READ

Unique Advertisements Meet With Hearty Approval

## WINNERS ANNOUNCED

When you think of all the pleasure the readers of the Mail have enjoyed through the Limerick Contest, which appears for the sixth consecutive time today, it is almost lost sight of that this is an advertising system for a number of the leading business houses of Charleroi. The twenty-eight advertisers on the Limerick page have made their names familiar to hundreds of readers, both those who have entered the contest and those who have sat back in their easy chair of an evening and enjoyed the jolly jingles which have been contributed and printed at the head of each advertisement.

The prizes for writing Limericks printed last week are as follows:

Miss Ellen Clark, one dollar prize for Limerick published in advertisement of J. N. Burgan, Hot Air Furnaces.

Floyd T. Carson, one dollar prize for Limerick published in advertisement of Weltner's Drug Store.

The Mail believes that the effect of this contest have been far reaching. First of all it has shown the public that the advertisements in a paper are often the most interesting part of the publication. Then, our business men have gained an idea of the large number of people who read the Mail each day. More than that, the advertisers have learned that with a medium like the Mail reaching the homes of the people all they have to do is to inject a little "ginger" into their ads to make them effective.

There are four more weeks of the contest. Better trot out that bright little idea that has been lurking in your brain and send it to the Mail in the form of a Limerick. If you hustle you may yet win the grand prize of ten dollars, for nobody has got much of a start at this writing.

## COAL CENTER ENTER-TAINS CONVENTION

Sunday afternoon the Sunday school convention of the California district was held at Howe's church near Coal Center. Nearly 300 were present at the afternoon session. Rev. O. K. Walker conducted the devotional exercises. The first address was made by the Rev. H. H. Ryland on "The Sunday School and the Church." William Hawthorne of the Phillipsburg Sunday School discussed in a very interesting manner, "Music in the Sunday School." His suggestion as to the selections of music to be used were excellent.

An admirable talk was made by F. J. Rankin of Coal Center on the "Duties of the Superintendent." A. J. Shutt of Waynesburg was present and told the Bible Class members "How to Reach Men." He was listened to with the deepest interest.

Mrs. Mary L. Stewart told about the state convention at Philadelphia. Mrs. Allison of Roscoe gave a short address on "Interesting the Pupils in the Lesson." The solo by Miss Pearl Kenyon was highly enjoyed by all.

The night session was fully as well attended as the afternoon session. Mr. Noah Harris discussed the "Needs of the Sunday School." This was followed by a very practical address by Mrs. Mary L. Stewart on "Sunday School work."

The following officers were elected for the coming year: President, Henry Parkins; vice president, William Hawthorne; home department Mrs. Mary Chalfant; missionary, Miss Jessie White; teacher training, Prof. A. L. Dwyer; adult Bible class, Harry Drum; temperance, Noah Harris; elementary, Miss Wilma Sloan; secondary division, Mrs. Joseph Hornbake; foreign, William A. Long.

## QUESTION HIS RIGHT

Westmoreland People Seek Solution of Shields' Problem

## IS NOW COMMISSIONER

Attorney General John C. Bell and District Attorney W. T. Don of Westmoreland county, have brought legal proceedings to test the right of John E. Shields to sit as a member of the board of county commissioners. On a petition which was presented to the court some time ago, asking that Shields' seat be declared vacant, Judge A. D. McConnell held that the vacancy existed and Judge L. W. Doty, president judge, took the opposite view. The case was presented to Judge Doty, who set November 9 as the date for the hearing of the argument. Shields is now serving a term in the Western Penitentiary for alleged irregularities in his office while he was sheriff of Westmoreland county.

## LAY PLANS TO GET EVANGELIST

Union Services Proposed by Religious Workers of Three Towns

## CHARLEROI CONSIDERS

Plans are being laid by members of the Monessen Ministerial Association and church workers of that town for a union evangelistic service which they propose to hold jointly with Charleroi and Belle Vernon church people. Charleroi and Belle Vernon have considered the plan to some extent and look favorably upon it. A list of well known evangelists has been secured. It seems impossible to get Rev. William A. Sunday to come at a reasonable time, and an effort will be made to secure the next best.

## Trespassers Pay a Fine

Quintet Arrested Sunday on Farm of John Shannon Found Guilty

Five young men of Charleroi Monday paid to Justice of the Peace Harry W. Scott, of North Charleroi, \$5.49 each, their fine and costs for trespassing on the farm of John Shannon, near Charleroi. The quintet was arrested Sunday afternoon by Constable D. F. Mathers, of North Charleroi, who had been hired by several farmers back of Charleroi to guard their places from the inroads of trespassers.

## CHARLEROI OFF BASKETBALL MAP IN THE CENTRAL

Charleroi is considered a sure basketball town for the Central Basketball league by everyone excepting the home folks, who know, it seems. At various meetings in Pittsburg the Charleroi situation has been discussed, and there have been representatives present. This morning it came straight from the management of the Charleroi Skating rink, where games would be played that there would be no Central League team here this year. This decision will hardly be re-considered.

## TO COST OVER \$74,000

Commissioners, through their solicitor Isaac W. Baum, the court on Monday made an order for the placing of the proposed improvement of the Donora Eldora road before the next grand jury for its approval or disapproval. The commissioners desire to improve this road with vitrified brick and the estimated cost is given by the engineers as \$73,426.43, which includes ten per cent for incidentals.

The proposed improved road is 17,844 feet in length. It begins at the Donora borough line, where McKean avenue intersects the line, extends through West Columbia hollow to Sampson's school house and thence by way of Eldora and Jacob Fisher's residence to the Monongahela ridge road. It traverses the ridge road to a joint on the state road leading from Monongahela to Charleroi.

## A SHADE TREE COMMISSION.

Charleroi should follow Wash-  
ington's example in establishing a shade  
tree commission. At the county seat  
such a commission has been appointed  
by council in accordance with an  
act of Assembly, and the object of  
this body is to promote and encour-  
age the planting of shade trees with-  
in the borough. Just how far its  
power extends, the Mail does not  
know.

Unfortunately for Charleroi many  
shade trees in the town have had to  
be removed because they are damag-  
ing the sewers. These are the Caro-  
lina poplars, and they are being re-  
placed with others in many localities.  
These must grow for a number of  
years before they can make a show-  
ing, but in the meantime there are  
many streets and lots on which few  
shade trees have been planted. Here  
is where a commission can do good  
work. By going personally to the  
owners of lots on which no shade  
trees have been planted, and show-  
ing them where they can procure  
suitable trees, and instructing them  
how to plant and care for them, a  
good start toward beautifying the  
town will be made. It will be a good  
idea for the Charleroi council to in-  
vestigate the shade tree commission  
act.

## PICKED UP IN PASSING

Another traveling man comes to  
the front with a story, this time  
time about a Democratic politician in  
Philadelphia, who has been campaign-  
ing so strenuously that he hardly  
ever reaches home before midnight.  
The other day, being called to attend  
a conference of the powers down at  
the home of Governor Woodrow Wil-  
son, he rushed home to dress for the  
occasion.

"Where are you going?" demanded  
his wife, who was out at the time  
but came in as her husband was bust-  
ling around in the dressing room.  
"To Sea Girl," he replied, tugging  
away at the strap of his suit case.  
"Won't be back until tomorrow."  
"To see Girl?" repeated his wife.  
"Never heard of her, but you can bet  
your sweet life that I am going with  
you. I thought something was up  
the way you've been staying out late  
nights. What gets me is that you  
have the nerve to tell me where you  
are going."

Then it was that the politician had  
to stop and explain, and it was some  
time before he could convince his  
wife of the difference between Sea  
Girl and going to see Girl.

## IN-RE ROAD IMPROVEMENT.

Notice is hereby given that the  
Commissioners of Washington County  
have filed in the Court of Quarter  
Sessions of said county their applica-  
tion for the improvement and con-  
struction in the manner provided for  
in the Act of May 11, 1911, and its  
supplements, of a certain section of  
the road known as the Donora-El-  
dora Road, described as follows:  
That portion of the public road in  
Carroll Township, beginning at the  
borough line of Donora where Mc-  
Kean Avenue intersects said borough  
line, and extending through West Col-  
umbia Hollow to Sampson's School  
House, and thence extending by way  
of Eldora and Jacob Fisher's resi-  
dence to Monongahela Ridge Road,  
and thence extending by said Ridge

Charleroi at or near Alexander's  
School House, for a distance of seven-  
teen thousand eight hundred forty-  
four (17,844) feet, more or less.  
That the said application will be  
laid before the Grand Jury for their  
approval or disapproval on Wednes-  
day, November 13, 1912, at ten  
o'clock a. m., or as soon thereafter as  
the same may be heard.

CATTLE CROSSING OVER IRRIGATING CANAL

HOME and social life in Northern California is the most pleasant  
because there are more bright days than in Southern Italy, and there is  
every convenience for bringing people together.

FARMS in the Sacramento Valley produce many more times net profit  
to the acre than Eastern farms because the soil is the best, sun shines every  
day, and there is plenty of good water for irrigating, with proper drainage.

ORANGES, potatoes, alfalfa and all fruits, grains, grasses and vege-  
tables mature earlier in Northern California than in any part of the world.

STOCK and POULTRY are easier to raise and produce more because  
the climate is healthful and green feed grows in abundance.

MARKETS are very near, with cheap railroad and river transportation,  
making financial success sure.

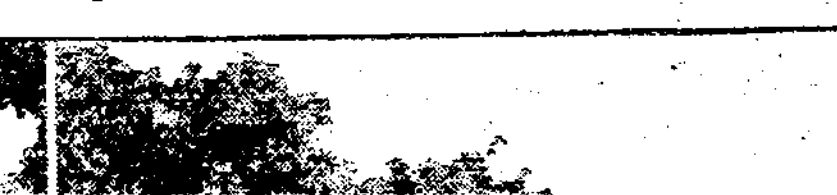

If interested, we urge you to write us today and learn of people who  
are making big money there now.

Let us know what you wish most to be informed about and get an  
instructive reply.

Don't delay, every day now sees new settlers moving on this land, as  
it is ready for seed, and the best farms go first.

ten years ago. Let us show you

# AUCTION SALE OF LOTS

## LOCK VIEW TERRACE

NORTH CHARLEROI, PA.

FRIDAY AND SATURDAY, OCTOBER 25th AND 26th  
FRIDAY AND SATURDAY, OCTOBER 25th AND 26th

AT 1:30 P. M.

## 100 BUILDING LOTS

Will Positively Be Sold to the Highest Bidder on Easy Terms of Payment

Lock View Terrace is the Place for the Working Man to Buy a Comfortable Home

### THIS CONCERNS YOU

On Friday and Saturday, October 25 and 26, 1912, at 1:30 o'clock p. m., LOCK VIEW TERRACE will be inaugurated, and a number of the choicest residence lots will be sold at public auction to the highest bidders. This will prove to be one of the greatest and most beneficial opportunities for home seekers that has ever been offered in this section of Pennsylvania.

To see is to believe. To understand is to buy.

### WHERE IT IS LOCATED.

At Lock No. 4, Washington county, Pa., on an elevation made gloriously beautiful by nature, overlooking the placid Monongahela river, on the line of the P. R. R. and the P. & L. E. railroads, one of which will shortly be a trunk line leading from Pittsburgh to Baltimore; two electric railroads, and right in the heart of one of the greatest manufacturing centers of the world.

### A PROSPEROUS LOCALITY.

Lock View Terrace is directly opposite and faces the thriving metropolis of Monessen, and is but a short distance from the Magic City—Charleroi, both of which can be reached within a few minutes by the trolley cars. It is the ideal location for the homeseeker.

### AN INDUSTRIAL CENTER.

The largest plant of the Pittsburgh Steel company is located in Monessen, and is but a short distance from Lock View Terrace plan of lots. That company employs 3,500 hands and pays out in wages \$225,000 monthly; and furthermore, an addition costing \$2,000,000 is now in course of construction to this mammoth industrial concern. Another of Monessen's big industries is the American Sheet & Tin Plate company's mill, employing 1,500 hands, with a monthly payroll aggregating \$125,000. These are only a few of Monessen's industries.

### NEW PLANT FOR MONESEN.

It is stated on good authority that a new industrial plant will be built at the Monessen end of the bridge in the near future, which will employ from 1,000 to 1,500 men. This is one of the features which makes Lock View Terrace all the more desirable as a home for working men. Remember, future developments, as well as present ones, will make these sites all the more valuable.

### A PLACE TO SAVE.

To the north is situated Charleroi, which is also connected by street car lines from Lock View Terrace, is but a few minutes ride. Charleroi's leading industries are the MacBeth-Evans Chimney factory, with a weekly payroll of \$10,000; Henderson Coal Works, with a monthly payroll of \$12,000; Imperial Bottle Factory, with a monthly payroll of \$14,000; Pittsburgh Plate Glass works, with a monthly payroll of \$15,000. Charleroi is just 22 years old and its banks have more than \$2,500,000 on deposit, more than one half of which is savings accounts.

### CHURCHES AND SCHOOLS.

For all denominations are either already built or in course of construction. One of the handsomest school buildings in Washington county having just been completed near Lock View Terrace.

### LONG FELT WANT.

These lots will fill a long felt want for the working man. People want to live out of the business section of the towns, away from the noise and smoke and poisonous fumes of the great factories, and they are consequently seeking homes in the suburbs—out where the air is pure and wholesome and gives vigorous life to mankind and vegetation.

### LOTS TO HIGHEST BIDDERS.

To meet this demand it has been decided to place this ideal plan of lots for sale at public auction; the lots to be sold to the highest bidder.

### BEING DRIVEN TO SUBURBS.

The advantages and attractive features of Lock View Terrace are many, and should appeal strongly to the workers and home seekers. The lots are ideally situated for home settlement. Money has already been appropriated for paving the road leading from Charleroi to Monongahela and this road runs directly along this new plan of lots. A movement is on foot to have the Monessen-Charleroi bridge made free, which will be a great advantage to the persons who buy property in Lock View Terrace.

### BAND MUSIC

A fine band will be on the grounds and give free concerts during both days of the sale.

Special Inducements and Attractions Will Be Given on Day of Sale

Come to the sale. Buy a Lot. Own a Home and Stop Paying Rent; be Free. Bring your dinner and enjoy a basket picnic. A special invitation is given to the Ladies.
